1. Please note for your records that there were two claims numbered claim 26.
2. The numbering of claims was therefor not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not). Misnumbered claim 26 (first occurrence i.e. the claim immediately following claim 24) has been renumbered as claim 25.
